Harold,

The students at MSD realized that there were several different people who assassinate President Kennedy. They still keep talking about the assassination. Thank you for giving your time to MSD students.

Sincerely yours
Lorraine Stoltz

Harold,
Many thanks for giving us your time and sharing a wealth of information with us. The students were very receptive to your presentation and many have begun their own research.
Again, thank-you!

Dear Harold,

Thank you so much for coming to M.S.D. to share your knowledge of the assassination of President Kennedy with our students and staff. You made quite an impression on the students!

The class discussions that followed your presentation showed that your remarks stimulated some deep thinking on the part of our students. They desire more information and explanation surrounding the events and personalities connected with the assassination of J.F.K.

You are always welcome at our school so please come back to visit us.

Sincerely,
Marsha Payne
